

Laser Swimming Club Responsibilities of a Parent In Attendance

Laser Swimming Club is obliged to have a parent on duty during all swim sessions. A roster will be put in place to cover all teaching classes and coaching sessions. This will be emailed to parents and also made available on the club website – www.laserswimmingclub.com

It is the parent's responsibility to check when they are on duty and to swap with another parent if they cannot attend their designated session. The session may be cancelled if there is no parent in attendance. Parents should familiarise themselves with the club rules and codes of conduct and ensure the appropriate behaviour of all persons (swimmers, parents and coaches) associated with the session.

The main duties are summarised as follows:

1. Please be on time to check swimmers in & stay until the session is complete & ALL swimmers have left. Parents should familiarise themselves with the session start time and be present at least fifteen minutes prior to this.
2. Admit swimmers ensuring all are Laser Swimming Club members only. Refer all others to the reception staff.
3. Check all swimmers leave changing area & make it to pool safely.
4. Make yourself known to the coach & stay in pool spectator gallery area throughout session.
5. Ask coach for the roster sheet and sign into the relevant slot.
6. Make note of any incident in report book in Laser Swimming Club folder behind reception desk. Please leave report book in folder but inform club secretary by text message or phone if there is an issue recorded.
7. Contact parents of swimmers as necessary. The contact details are in the Laser folder behind the desk at Leisureland and NUIG.
8. Monday sessions will have swimmers and parents arriving mid way through the session who must be admitted. Parents may also need to be re-admitted to changing area before the end of each 45 minute session.
9. Teaching classes will have parents to be re-admitted to changing area towards end of session. Please be at desk to admit these parents.
10. Remind swimmers to use lockers provided.
11. As you can see many parents have committed to doing a particular session so when it is your turn please be there.
