Under Swim Ireland Club rules, it is **imperative** that a Laser SC parent attends to supervise their assigned sessions and sign in with the coach on deck. The role and duties of the parent on duty can be found on: <http://www.laserswimmingclub.com/parents/pia/>

Your cooperation with PIA duties is very greatly appreciated.

**If you cannot attend a session, YOU MUST swap with another parent via the whatsapp group.**

The committee cannot organise this for you.

**No PIA means the session will be cancelled**  
so please check dates carefully and save in your calendar.

If you are PIA you should arrive 10-15 mins before the session starts to ensure all swimmers names have been taken and all have arrived on deck from the changing rooms.
